THE LIFE WORKSHOP

REINVENT YOUR LIFE SKILLS TODAY

ABOUT US & OUR COURSE STRUCTURE

Our workshops are not monologues. They are heartfelt conversations. We drive the point through humour and empathy.

We use blended methodologies of theatrical story-telling, task-based processes, discussions, group and individual work, case studies, video and audio tools, simulation exercises and role plays.

We tailor the courses according to the needs of your students, depending upon with some one-day workshops are best increased to a 2-day interaction.

HIGHEST RATED

Its very elating, to experience the response from individuals who feel liberated and ready to take on their life goals after the life workshop, theirs results is our pride.

UNINHIBITED UNLIMITED

Unbelievable results achieved when the real concerns are worked on. The true potential of an individual is unleashed, through simple and super-fun exercises, that will be remembered for a life-time.

POWER OF STORYTELLING

If you wish to influence an individual or a group to embrace a particular value in their daily lives, tell them a compelling story. The theatric story-telling in these life skills training drives the point home.

EXPERIENTIAL LEARNING

Life skills training begins when training moves from theory to an actual experience, motivation then becomes a process, a science, a technology that can be never forgotten once you've learnt it, just like swimming.
