RIICO Industrial Area, Udaipur

Date: 12 July 2022

Sub: To allow Students & Faculty (At least Two) for Surveying at Private land.

Dear Sir,

This is to request for arranging field survey at our private land situated in Kewda. We would like to ask for your permission to allow students for field survey at our property as a Field Experience for the students. This activity would last for about 4 to 5 hours, also all necessary arrangements would be done from our end including refreshments and commute etc.

Hope this field activity would provide field exposure and knowledge of surveying to the students. Hence, we request you to please arrange the needful.
