

Memorandum of Understanding

The Memorandum of Understanding (MOU) is signed on December 2nd, 2022

Between

Cnetric Global Inc., having its office at lewis workspace, benson town, Bengaluru, Karnataka represented by its Authorised Representative Mr. Manohar Durai – CEO, Cnetric Global Inc, referred to as First Party.

And

Techno India NJR Institute of Technology, Udaipur, having its office at Plot SPL-T, Bhamashah (RIICO) Industrial Area, Kaladwas, Udaipur, Rajasthan India, referred to as Second Party.

Cnetric Global Inc. and Techno India NJR Institute of Technology, Udaipur shall hereinafter be jointly referred to as the "First Party" and severally as the "Second Party"

Whereas, First party has got a project in Vietnam and other countries for creating a eCommerce Marketplace where First party wishes to involve second party in execution of their projects. Both parties have agreed to work on a project as under:

1. The project will focus on developing an AI/Blockchain-based Composable Commerce platform, with a specific emphasis on platforms such as Spryker, Shopify, and Emporix. The project will be carried out over the course of one year.
2. Second party will be creating a team with one of the faculty as a lead who will create his team. The team shall gain the necessary skills and knowledge required for the project. Upon completion of the training, team members will appear for certification exam on Spryker Exam Platform. Thereafter they will be deployed on existing projects.
3. The total cost of the project will be RS 10 Lakh and is to be completed within 12 months. Payment will be made every month based on the progress of the project. Second party has to submit a monthly report to First party on the status of the project based on which payment will be made by the Frist party.

Dear Sir,

I am writing to express my sincere appreciation for the incredible work you have done in creating 3D models and printing them for my project. Your attention to detail, dedication, and expertise have truly made a difference in the success of my project.

Your ability to turn my ideas into reality is truly impressive. I am amazed at the level of precision and accuracy that you have achieved with your 3D modeling and printing skills. The finished products have exceeded my expectations and have truly brought my vision to life.

Your professionalism, responsiveness, and commitment to meeting deadlines have made working with you a pleasure. I truly believe that the success of my project would not have been possible without your skills and expertise. Your contributions have been invaluable, and I am grateful for the opportunity to work with such a talented freelancer.

Once again, thank you for your hard work, dedication, and commitment to excellence. You are a true professional, and I look forward to working with you again in the future.
