## Inter College Match Report

A thrilling cricket match between **Techno India NJR Institute of Technology and S.S Engineering College** took place on 1st April 2023 at the **Techno India NJR Ground**. Both teams were geared up to give their best performances in front of their supporters.

The toss was **won by S.S Engineering College**, and they decided to bat first. Asif Raja Ansari and Abhishek started the innings for the team but were unable to score runs at a good pace. They lost their first wicket in the third over, and from there on, it was a downhill journey for S.S Engineering College. The Techno India NJR Institute of Technology bowlers led by **Shakti Raj Singh dominated the opposition team with his outstanding bowling performance, taking five wickets** in the process. S.S Engineering College managed to score only **77 runs for the loss of 8 wickets in 10 overs**.

In the second innings, Techno India NJR Institute of Technology came out to bat with confidence, and their opening pair Nishant and Pranjul did not disappoint. They started aggressively and played some excellent shots, making it clear that they were in control of the match. The S.S Engineering College bowlers tried their best to take wickets, but their efforts were in vain as Techno India NJR Institute of Technology achieved the target of **78 runs without losing a single wicket in just 3.5 overs**.

**The match ended with Techno India NJR Institute of Technology winning by ten wickets**. It was an outstanding performance by the entire team, especially Shakti Raj Singh, who was declared the player of the match for his excellent bowling performance. The supporters of Techno India NJR Institute of Technology were overjoyed and celebrated the victory with great enthusiasm.

## NCC C Certificate Examination Report

20.02.2023

### **Introduction:**

**The National Cadet Corps (NCC)** is a youth development organization in India that provides basic military training to the students of secondary and higher secondary schools. The NCC aims to develop character, discipline, leadership, and a sense of service among the youth. The C Certificate Examination is conducted by the NCC to test the knowledge and skills of the cadets who have completed the C Certificate course. On **19th February 2023**, the NCC C Certificate Examination was conducted **at B.N College, Udaipur**, under the guidance of **Commanding Officer CO Inderjeet Goshal**.

### **Importance of NCC:**

The NCC plays a vital role in the development of the youth in India. It aims to instill in them the values of patriotism, discipline, and service to the nation. The NCC also provides opportunities for the youth to participate in adventure activities, social service, and community development programs. The organization has been instrumental in producing some of the finest leaders in India, including **Prime Minister Narendra Modi**.

### **Participation:**

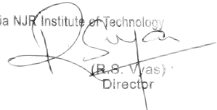

**Techno India NJR Institute of Technology** participated in the NCC C Certificate Examination. **Seven students** from the college appeared for the examination. The students were well-prepared and confident about their performance.

### **Examination Details:**

The NCC C Certificate Examination is conducted in two parts, namely, written and practical. The written examination consists of multiple-choice questions, while the practical examination involves the demonstration of skills learned during the course. The examination tests the cadets' knowledge in subjects like military history, weapons, drill, map reading, and first aid. The examination is designed to assess the cadets' understanding of military tactics and their ability to apply them in practical situations.

### **Results:**

The results of the NCC C Certificate Examination will be announced in a few weeks. The students from Techno India NJR Institute of Technology who appeared for the examination are eagerly waiting for their results. The Commanding Officer, CO Inderjeet Goshal, has appreciated the efforts of all the cadets who participated in the examination and congratulated them for their performance.

For Techno India NJR Institute of Technology  
  
(R.S. Was)

## Conclusion:

The NCC C Certificate Examination is a challenging and rigorous test of the cadets' knowledge and skills. It requires months of preparation and dedication to perform well in the examination. The seven students from Techno India NJR Institute of Technology who appeared for the examination are expected to have performed well. We hope that they will continue to participate in such activities and contribute to the development of their character, discipline, and leadership skills. The NCC C Certificate Examination is an essential part of the NCC training program. It is a test of the cadets' knowledge, skills, and application of military tactics. The examination provides an opportunity for the cadets to showcase their talents and prepare themselves for a career in the armed forces. We hope that the students from Techno India NJR Institute of Technology who appeared for the examination will continue to participate in such activities and make a positive contribution to society.

## Yoga Mahotsav

The 10 RAJ BN NCC organized a three-day Yoga Mahotsav from 1st to 3rd April 2023 at MB College Ground, Saraswat Marg, Udaipur. The event aimed to promote the benefits of yoga and encourage a healthy lifestyle.

The event was a huge success, attracting a significant number of participants from across the city. The three-day event included various yoga sessions, lectures, and workshops by renowned yoga practitioners and experts.

The event was inaugurated by the local MLA, who spoke about the importance of yoga in maintaining a healthy and balanced life. The chief guest also emphasized the benefits of yoga and encouraged the youth to adopt yoga as a part of their daily routine.

The yoga sessions were led by experienced yoga teachers, who taught various forms of yoga, including Hatha yoga, Ashtanga yoga, and Power yoga. The workshops focused on the benefits of yoga in reducing stress, improving concentration, and increasing flexibility.

The event also included a yoga competition, which attracted many participants, and the winners were felicitated by the organizers.

Overall, the Yoga Mahotsav organized by the 10 RAJ BN NCC was a grand success, and it played an important role in promoting the benefits of yoga and encouraging people to adopt a healthy lifestyle. The event received great appreciation from the participants, and it is expected to continue in the future.

## Subject: Report on Plantation Activity at Techno India NJR Institute of Technology

I am writing this report to provide an overview of the plantation activity organized by the NCC cadets at Techno India NJR Institute of Technology in Udaipur on 5th June 2023, in celebration of World Environment Day (WED).

### Introduction:

The plantation activity was aimed at raising awareness about environmental conservation and promoting a greener campus. The event was organized by the NCC cadets under the supervision of [Senior Under Officer] Deependra Raj Singh Chaushan. The chief guest for the event was Dr.Raj ShekarVyas (Director) of [Techno India NJR Institute of Technology, Udaipur].

### Attendees:

The following individuals attended the plantation activity:

Abhishek Sharma (CTO)  
Deependra Raj Singh Chaushan (Senior Under Officer)  
Dharmik Patel  
Somya Champawat (Junior Under Officer)  
Hanshika Mehta (Junior Under Officer)  
Vyom Bhatt (Sergeant)  
Krunal Chobisa  
Divyanshu Menaria  
Harshita Rathode (Sergeant)

**Activity Details:**

The plantation activity commenced at **08:00 AM in the college campus**. The NCC cadets, along with the attendees, gathered at the designated area for the plantation drive. The event began with a brief speech by Dr. Raj Shekhar Vyas, highlighting the importance of environmental conservation and the role of youth in creating a sustainable future.

After the speech, the attendees, armed with gardening tools and saplings, proceeded to plant trees and shrubs across the campus. The NCC cadets demonstrated proper planting techniques and provided guidance to ensure the success of the plantation drive. The participants actively engaged in planting trees and took pride in contributing to the green initiatives of the college.

**Benefits and Significance:**

The plantation activity held on **World Environment Day served multiple purposes**. It created a sense of **environmental** responsibility among the participants and highlighted the importance of preserving nature for future generations. By planting trees, the event aimed to improve air quality, reduce soil erosion, and create a sustainable ecosystem on the college campus.

Furthermore, the activity provided an opportunity for the attendees to develop teamwork, leadership, and organizational skills. It fostered a sense of community and camaraderie among the participants, promoting a positive environment within the college.

**Conclusion:**

The plantation activity organized by the **NCC cadets at Techno India NJR Institute of Technology on 5th June 2023**, in celebration of World Environment Day, was a resounding success. The event brought together individuals from various backgrounds, all dedicated to the cause of environmental conservation. The active participation of Mr. Abhishek Sharma and other dignitaries added prestige and motivation to the activity.

The efforts made by the NCC cadets and other attendees in planting trees will have a lasting impact on the campus and the surrounding environment. The activity served as a reminder of our collective responsibility to protect and nurture the planet we inhabit.

We express our gratitude to all the participants for their valuable contribution and dedication to making this event a success. We look forward to organizing more such initiatives in the future to promote sustainability and environmental consciousness.

**Thank you.****Sincerely,**

## Fundamentals of Computer Science

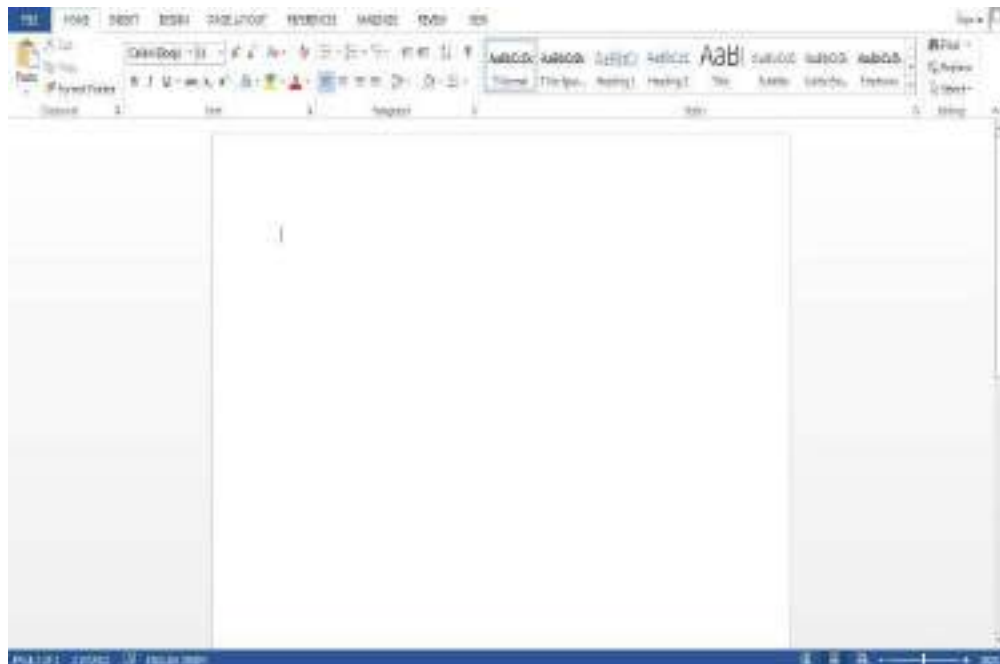

Training Is About:

Fundamental of Computer Science is basically basics of computers which can helps us to understand how to use Microsoft Office Application software such as MS Word, MS Excel & MS Power Point.

Introduction:

### 1. MS Word:

MS Word enables users to do write-ups, create documents, resumes, contracts,

etc. This is one of the most commonly used programs under the Office suite.

One of the most widely used programs of Microsoft Office suite, MS Word is a word processor developed by Microsoft.

## 2. MS Excel:

Excel is pronounced "Eks - sel"

It is a spreadsheet program developed by Microsoft. Excel organizes data in columns and rows and allows you to do mathematical functions. It runs on Windows, macOS, Android and iOS.

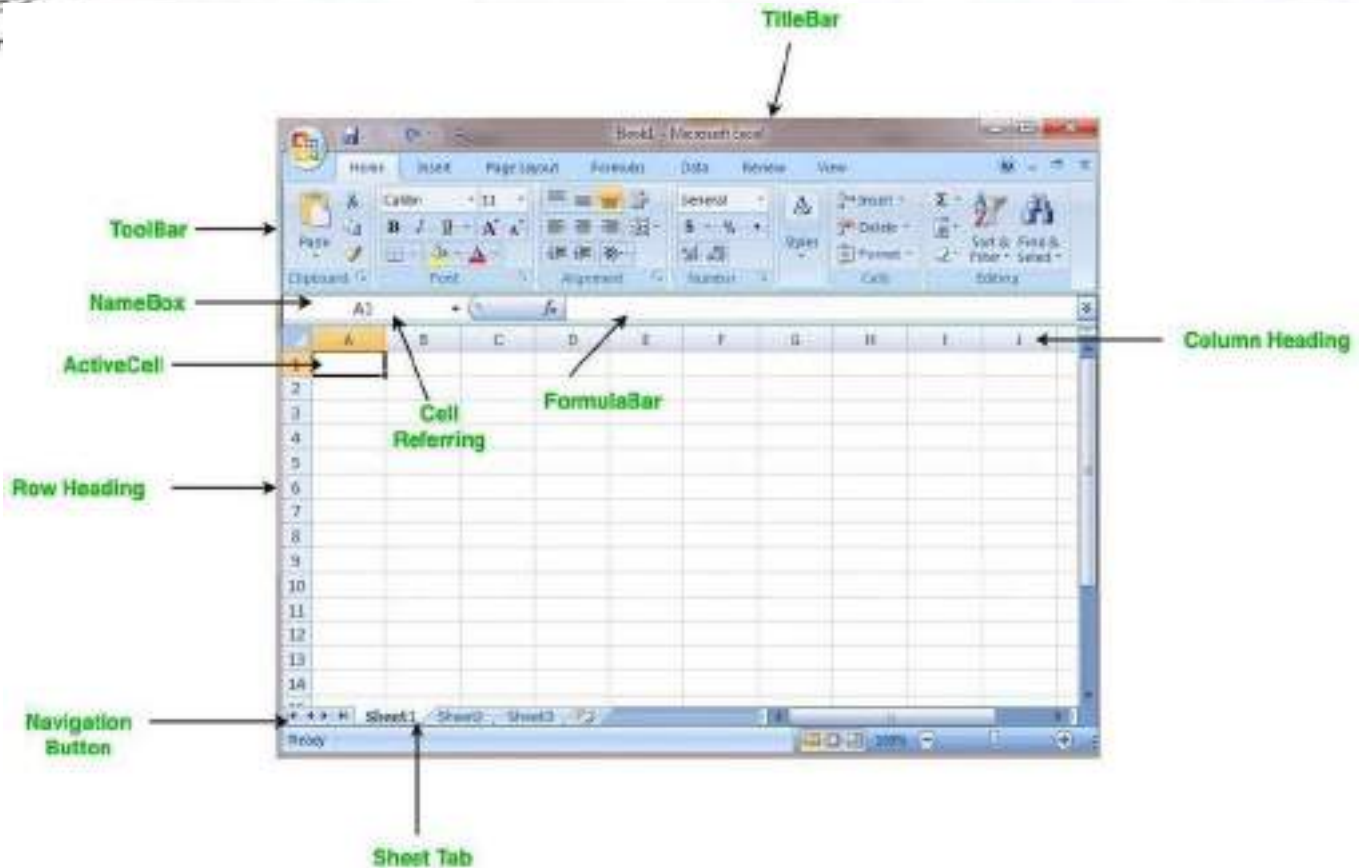

The first version was released in 1985 and has gone through several changes over the years. However, the main functionality mostly remains the same.

Excel is typically used for:

- i. Analysis
- ii. Data entry
- iii. Data management
- iv. Accounting
- v. Budgeting
- vi. Data analysis
- vii. Visuals and graphs
- viii. Programming
- ix. Financial modeling
- x. And much, much more!

- It is the most popular spreadsheet program in the world
- It is easy to learn and to get started.
- The skill ceiling is high, which means that you can do more advanced things as you become better
- It can be used with both work and in everyday life, such as to create a family budget
- It has a huge community support
- It is continuously supported by Microsoft
- Templates and frameworks can be reused by yourself and others, lowering creation costs

## Power Point:

MS PowerPoint is a program that is included in the Microsoft Office suite. It is used to make presentations for personal and professional purposes.

- It is a presentation-based program that uses graphics, videos, etc. to make a presentation more interactive and interesting.
- The file extension of a saved Powerpoint presentation is “.ppt”.
- A PowerPoint presentation comprising slides and other features is also known as PPT.
- with each version, the program was more creative and more interactive. Various other features were added in PowerPoint which massively increased the requirement and use of this MS Office program.

## **NUKKAD NATAK; "The Power of Your Vote"**

On the vibrant days of 19, 20, 21-5-23 our Nukkad Natak, titled "The Power of Your Vote," illuminated the public spaces of Fatehsagar, Gangaur Ghat, Railway Station, and Celebration Mall with its impactful performance. This street play served as a dynamic and engaging platform to create awareness about the crucial importance of responsible voting in Indian elections. The community was entertained and educated about their civic duty during these performances. The central message echoed through the streets, emphasizing that every citizen above 18 years holds the power to shape the future by casting their vote responsibly. The play passionately urged individuals to select candidates based on merit rather than personal gain, fostering a sense of civic responsibility and active participation in the democratic process.

"The Power of Your Vote" Nukkad Natak was a powerful medium for conveying a vital message to our community. It raised awareness about the importance of voting responsibly, choosing the right candidate, and not falling prey to personal greed. By emphasizing the role of the Election Commission and the potential consequences of voting for personal gain, the play encouraged citizens to take their electoral responsibilities seriously. The clear message was that you should use your vote wisely to shape the future of our nation because it is your voice. By promoting this message, we hope to inspire a more informed and responsible electorate committed to building a better India.
