On
“Art of Concentration”

In The Age of Distractions
Speaker: Madan Govinda Das
(Project Director, ISKCON Covey)
Date: Nov. 22, 2022
Time: 10am - 12pm
Venue: Techno Knowledge Campus

Techno India NJR Institute of Technology has organized a session on “Art of Concentration” on Nov. 22, 2023. The speaker of the session was Mr. Madan Govinda Das, Project Director, ISKCON Covey. The speaker enhanced the ability of students how to concentrate on study even in the environment of distractions and at the same time how to overcome their distractions. The speaker has discussed some techniques to improve the concentration level in the challenging environment. He also described some techniques how students can prepare themselves for exam.
