

MEMORANDUM OF UNDERSTANDING

This memorandum of undertaking (MOU) is entered on 1st day of March, 2023 between Techno India NJR Institute of Technology, Udaipur an education institution recognized by AICTE and Government of Rajasthan having its campus at Udaipur (hereinafter referred to as "Techno NJR" which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns) of the first part

And

Secure Meters Limited, a company incorporated under the Indian Companies Act, 1956 and having its registered office at E-Class, Pratapnagar Industrial Area, Udaipur -313003, Rajasthan, India (herein referred as "Secure" which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns) of the second part

Secure is in the business of design, manufacture, sales and service of products and systems for managing energy - including, but not limited to, electricity meters, gas meters, communication hubs and modems, measuring instruments, controls, smart home products, pump efficiency along with software and services that helps users save, reduce energy use and live in comfort. Secure has extensive knowledge and expertise in the creation and development of technical information, ideas, and concepts relating to software, hardware and business processes for the electric, gas and water utilities, energy metering, energy management, home controls industry including markets, competition, pricing, and implementation and designs for such systems including hardware, software and business processes.

Techno India NJR Institute of Technology, popularly known as Techno NJR was established by NJR Foundation in the year 2008. Techno NJR was set up with a vision of providing international level engineering education to students of Udaipur so that they do not have to travel to Bangalore, Pune, Jaipur for good engineering education

Secure and Techno NJR are desirous of promoting industry-academia collaboration - in various fields which will be beneficial to both the parties.

Objectives of the MOU:

1. Secure desires to collaborate with Techno NJR for:
 - A. Promoting special education programme and employment enhancing vocational skills hereinafter referred to as "Programme" among students undergoing engineering courses viz. Electrical / Electronics & Communication Engineering (ECE) / Computer Science discipline so as to enable them to attain an understanding level as expected by Secure for growing, learning and performing further in Product development area.
 - B. a technical research/project that will aim at providing efficient ways of energy consumptions and energy usage reduction
2. This programme is intended to provide students an opportunity to learn and prepare themselves for employability under the guidance of experts during their final year of the

academic tenure. Placements support and internships will be extended by Secure under this programme.

3. Role and responsibilities of each party will be as under:

A. Role and Responsibilities of Secure:

- a. Deciding criteria for selection of the students for undergoing the programme in consultation with Techno NJR.
- b. Deciding the strength (number of students to be inducted) in one batch of the programme.
- c. Arrange faculties as mutually agreed to impart technical training as per programme content to the students apart from those deployed by Techno NJR.
- d. To provide one-time training (if required/mutually agreed) to a group of selected faculty members from Techno NJR to conduct the programme and to guide the students during the tenure of the programme.
- e. Secure to provide industrial exposure to the selected engineering students of the institute by way of last semester internship to the extent of feasibility and requirement

B. Role and Responsibilities of Techno NJR:

- a. Permit students of Techno NJR as agreed with Secure to attend the programme.
- b. To extend support to Secure in the selection of the students to undergo the programme.
- c. To arrange and provide infrastructural facilities as needed for the programme.
- d. Impart training to the shortlisted students through a mix of theory, practical hands-on and physical classroom setup as per the programme design and mutually agreed course content.
- e. Conduct periodic evaluation and feedback at agreed stages of the programme to the participants. Secure and Techno NJR jointly issue certificate/s to each of the participants who have met the attendance criteria and also qualified in the examinations.
- f. Informing duration of the programme with start and end dates to students opting for the programme.
- g. Providing courseware to the students in consultation with Secure.
- h. To facilitate campus drives (for students undergone the programme) and ensure joining of selected students as Graduate Engineer Trainee (regular) - joining date as decided by Secure.
- i. To consider Secure as a preferred employer.
- j. To ensure the students selected by Secure during the selection drive will not be allowed to appear for any other campus drives.

The details of internship are as mentioned below:

Internship Start Date: 1st January'2024

Internship End Date: 31st December'2024

Role: Student Intern (as mentioned in table above)

Location: Secure Meters Limited, Bhamasha Industrial Area, Udaipur

Reporting time on day of joining: 1:30 PM

Stipend for internship period:

1. Jan'24 to June'24: Half Day: Rs. 10,000 P.M.

2. July'24 to Dec'24: Full Day: Rs. 15,000 P.M.

All the students will be issued a certificate after successfully completing the internship period. They all will be given priority and will be evaluated for the position of Graduate Engineer Trainee (2025) during the period. The evaluation will be based on their performance during the internship and successfully qualifying the GET selection process.

Note : For any query and clarification meet undersigned. All must send a confirmation & acceptance / decline of this offer in response to this email only by 15th Dec 2023 till 4:00PM.

Thanks & Regards
