## **National Cadet Corps (NCC) Report**

### **Independence Day 2023 Celebration at Gandhi Ground**

#### **Introduction:**

On the auspicious occasion of India's 77th Independence Day, cadets from Techno India NJR Institute of Technology, Udaipur, participated in a grand celebration held at Gandhi Ground. The event was organized by the 10 Raj BN NCC unit and witnessed the enthusiastic participation of our dedicated cadets. This report aims to highlight the significant moments and contributions of our cadets during the Independence Day celebration.

#### **Cadets' Participation:**

The following cadets represented Techno India NJR Institute of Technology at the Independence Day 2023 celebration:

**Sargeant Harshita Rathore**  
**Cadet Yuvika Choudhary**  
**Cadet Neelam Kataria**  
**Cadet Kunal Sharma**  
**Cadet Kunal Choubisa**  
**Cadet Nipun Mali**

#### **Activities and Contributions:**

The Independence Day celebration at Gandhi Ground was a remarkable event marked by various activities and patriotic contributions from our NCC cadets.

**Flag Hoisting:** Cadet Harshita Rathore had the honor of hoisting the national flag, symbolizing our commitment to the ideals of freedom and unity.

**Cultural Performances:** Our cadets showcased their talents through cultural performances, including patriotic songs, dances, and a skit highlighting the sacrifices of freedom fighters. Cadet Yuvika Choudhary's melodious rendition of a patriotic song left the audience deeply moved.

**Cleanliness Drive:** Cadets Neelam Kataria, Kunal Sharma, Kunal Choubisa, and Nipun Mali actively participated in a cleanliness drive at Gandhi Ground. They demonstrated our commitment to cleanliness and Swachh Bharat Abhiyan by collecting and disposing of waste responsibly.

**Awareness Campaign:** Cadets from Techno India NJR Institute of Technology also organized an awareness campaign on the importance of preserving our environment and natural resources. They distributed informative pamphlets and engaged with the public to raise awareness about eco-friendly practices.

**Interactions with Dignitaries:** Our cadets had the privilege of interacting with local dignitaries and military personnel present at the event. These interactions provided them with valuable insights into leadership and patriotism.

**Conclusion:**

The participation of Techno India NJR Institute of Technology's NCC cadets in the Independence Day 2023 celebration at Gandhi Ground was a resounding success. They displayed unwavering dedication, enthusiasm, and a strong sense of patriotism throughout the event. We are proud of their contributions and their commitment to upholding the spirit of independence and unity.

We extend our heartfelt gratitude to 10 Raj BN NCC for organizing such a significant event and providing our cadets with the opportunity to participate. The experience gained during this celebration will undoubtedly inspire our cadets to continue serving our nation with dedication and honor.
