Metric ID: 2.4.1	**Average percentage of full time teachers against sanctioned posts during the last five years**
Findings of DVV	Please provide in data template (a) the number of teachers year-wise (b) list of teachers year wise. Tabulate the count provided for each year and also the mode of arriving at average (c) scanned copy minutes of the meeting of the management related to staff - faculty strength with the appropriate sections highlighted in the minutes. (d) list of full time faculty members yearwise with experience in years marked against each in the institution letterhead signed by the head of Institution

The number of teacher year wise as follows:

2015-16	2016-17	2017-18	2018-19	2019-20
72	82	62	49	69

Average percentage of full-time teachers against sanctioned posts during the last five years is **91.53%.**

For calculating the percentage the following formula was used and that is mentioned in the NAAC Manual.

$$\text{Percentage per year} = \frac{\text{Number of full time teachers}}{\text{Number of sanctioned posts}} \text{X } \mathbf{100}$$

$$\text{Average percentage} = \frac{\sum Percentage\ per\ year}{5}$$

College achievements

Techno NJR was one of the nodal centers for organizing Smart India Hackathon 2019 in partnership with AICTE. Teams from all over the country participated in solving problems given by Quickheal and Bridgestone Tyre.

Mr. Aaditya Maheshwari participated in Cloud Expo Asia 2018in Singapore during October 10-11 2018

Present Academic Year Budget

Admission status & faculty requirement

Admissions for Academic Year 2019-20 are over. Total student strength in current academic year is 695 against sanctioned intake of 1748 by AICTE.

To maintain faculty student ratio of 20 the required faculty strength based on actual intake of this year is 35. However as AICTE has reduced sanctioned intake of students for AY 2019-20 due to shortage in faculty numbers as calculated by them based on sanctioned intake of 2018-19, it is advisable to increase faculty numbers to meet AICTE requirement.

Therefore, governing council is pleased to sanction recruitment of faculty up to a total number of 75.

The principal of the college is authorized to initiate the process of recruitment to fulfill vacancies against above sanctioned posts.

New Infrastructure Requirement

College has already installed 100 node private cloud in the campus as sanctioned in the previous year.

No new infrastructure addition is proposed for the present.

AICTE Application for new academic year

After detailed deliberations, governing council members unanimously agreed that for AY 2020-21, in addition to extension of approval, Techno India NJR Institute of Technology should:

> Apply for restoration in intake in courses, Civil Engineering (48 to 60), Computer Science and Engineering (80 to 120), and Electrical Engineering (0 to 60)

It was unanimously agreed to recruit sufficient faculty members to overcome the shortcoming and also adjust the sanctioned intake according to the demand of seats.
