Hi Ritvik,

Congratulations on being chosen as a winner in the Intel Hacks 2017! It's a tremendous accomplishment. In order to receive your prize, you'll need to complete the attached affidavit and W-8BEN. You will also need to provide us with your bank information, so we can send your prize money via wire transfer.

After all team members have filled out the paperwork, please send it to me using this Dropbox file request: <https://www.dropbox.com/request/J0uMmQvhiNDimT8Benz> Only I will be able to access the files uploaded here. Please do not send me the paperwork via email. It contains sensitive information, and your privacy is important.

### Affidavits

I've attached two affidavits to this email: one for you, the team allocator; and one for your teammates. You and your teammates can fill out and sign the affidavits in one of two ways:

- Open the documents in a PDF editor like [HelloSign](#) (free service), fill them out electronically, and upload your e-signature. Your signature must be your real signature; it cannot be typed in.
- Print out the documents, physically fill them out, hand sign them, and scan them back into your computer.

### Bank Information

Because you live outside the U.S., we'll be sending your prize money via wire transfer. Please complete the attached bank account info form and upload it to the Dropbox link.

### W-8BEN

I've attached one W-8BEN to this email. As the team allocator, you are responsible for filling it out. After you've completed this form, please upload it to the same Dropbox link that I provided above.

Please note: as your prize is being paid by an entity based in the U.S., 30% of your prize will be withheld to comply with U.S. tax law. However, if you would like to claim a different rate of withholding based on the income tax treaty between your country of residence and the U.S., please follow the instructions under part B below. Otherwise, follow the instructions under part A.

A) If you are not going to invoke the income tax treaty between your country of residence and the U.S., please fill out Part I of the attached W-8BEN form only, and sign and date it at the bottom. You may skip field 5 where it asks for your U.S. taxpayer ID (unless, by chance, you are a U.S. resident). I also recommend that you consult with your tax advisor about any taxes you must pay on your prizes.

B) If you are going to invoke the income tax treaty between your country of residence and the U.S., please fill out Part I and Part II of the attached W-8BEN form, and sign and date it at the bottom. I also recommend that you consult with your tax advisor about any taxes you must pay on your prizes.

To invoke the income tax treaty, you'll need to fill out either field 5 (if you have a U.S. ITIN or SSN) or field 6 (if you do not have a U.S. ITIN or SSN). **Please be sure to also complete all of Part II.**

### Shipping Addresses

Please upload a text file with all of your teammates' full names and shipping addresses for the hardware you've also won.

**Please send all of the above to me no later than Tuesday September 5, 2017.** Do let me know if you have any questions. Congratulations again!

Thanks, Ritvik! Received all your docs. When we distribute the prizes, I'll send your money by PayPal. It'll be about 6 weeks, though.

Once all the teams have returned their paperwork, I'll send intel the shipping addresses to send the hardware. Shouldn't be any issue sending to the same address.

Thanks,

Hello RITVIK DAVE,

You received a payment from Devpost, Inc. We've placed the money for this transaction on hold because you appear to be new to PayPal or we have limited history of your selling activity. Providing no issues arise between you and the buyer the funds will be released in the evening of 27-Oct-2017.

Here are the details:

- Buyer name: Devpost, Inc.
- Transaction date: 5 October 2017
- Transaction amount: \$6,000.00 USD
- Your transaction ID: 5M230650U6720120N

Want your money sooner? Here's what you can do to speed things up:

- If you don't have a tracking number, mark your item as shipped on the Transaction Details page. Your money will be available 7 days after you mark your item as shipped (14 days if you're shipping to an international location).
- If your item doesn't need to be shipped (e-book, piano lessons, etc.), mark the transaction as processed and provide details. Your money will be available 7 days after you mark as processed (14 days if your buyer is based internationally).

Thanks,  
PayPal

Hey Stefanie,

Gladly, I would like to inform you that I have received all the prizes (TABS & money) that Devpost & Intel has sent and it is safely distributed among the 3 team members. This prize money will play a crucial role in next few years of our graduation. We will be utilizing the prize money for our future **training, health and education**.

I am thankful to you for guiding me throughout the process right from the distribution of Arduino to Best student project in Intelhacks2017. I will never forget these moments in my life and updates that you shared in a surprising way. Let's be connected forever. 😊

And from all of us at **Techno NJR**  
WISHING YOU A VERY HAPPY DIWALI 🎆

Skills Gap Solutions Pvt. Ltd. ( SGS ) is a business partner of IBM India for sales/delivery of IBM -ICE program at various Universities to impart industry-relevant skills e.g. Cloud and Business analytics to the students . Presently SGS has been awarded a contract by IBM to provide these services to following universities, beside for the students enrolled under IBM Program at Techno NJR Institute of Technology

- 1.G.D.Goenka University, Gurgaon
- 2.Kaziranga University, Jorhat
- 3.Sharda University, Greater Noida

As a part of service engagement with the Universities, IBM/SGS must provide a Learning Management System with a Portal (accessible by students, faculty, mentors and university management).The product is also a strategic component for delivering IBM's solution to the students enrolled under IBM program.

Presently SGS is not having its own LMS/Portal to offer to the students of these Universities, hence the LMS/Portal of other partner is being used by these Universities.

Both IBM and SGS are desirous that SGS should also have its own LMS/Portal , which can be accessed by the Students, faculty and management of these Universities.

During discussion with the Management of Techno NJR Institute of Technology (Techno) , it was felt that Techno is having requisite capability as well as willingness, to develop LMS/Portal as per the IBM specifications/requirement of the students. Therefore, SGS is pleased to place a back to back order to develop the LMS/Portal product. If the product quality is found satisfactory by IBM, SGS will ask Techno to implement this portal at aforesaid 3 universities.

The product functions and minimum requirements as specified by IBM has already been shared by a separate document. In addition to the stipulated requirements, Techno development team is welcome to add innovative functions that would enhance students' learning e.g. curating new contents on portal from research papers, books, articles, videos, YouTube etc on related topics which are in the public domain. In addition Techno NJR can add AI-powered recommendation engine.

For this development and successful implementation of LMS at these 3 universities, SGS will pay a sum of INR 1.0 lacs to Techno.
