We are happy to share with you that you have been assigned Mentors. They are added to this email conversation in CC. Request you to kindly engage with them, further.

Dear Mentor/Mentors of Change (in CC),

Congratulations for being selected as a 'Mentor of Change' for the Government of India's flagship program of Atal Tinkering Labs, established by the Atal Innovation Mission, NITI Aayog. We are glad to share with you that we have assigned the ATL to you for mentoring. However, the assigned ATL school could be slightly different from what you indicated in your preference list, and therefore, we request you to conduct **online mentoring sessions** for the school.

As an **online mentor**, you are expected to devote at least 3- 4 hours per month for your assigned ATL, through Skype or Whatsapp video call, based on your convenience. There is no mandatory requirement to visit the school, but a visit every two months is recommended. We would request that you accept the allocations for online mentoring. The ATL school is eagerly waiting for your support and mentoring, and will be very happy to initiate the engagement with you.

Sharing a few details for you to start the engagement:

School Name: Kendriya Vidyalaya
School State: Rajasthan
School City: Udaipur
