The Institute has been an early adopter of e Governance through Digital Management of all resources and students/faculty.

The institute uses following e governance resources for efficient running of the Institute . Some of these have been purchased by a third party whereas many have been developed in-house. The Institute has used   digital solutions in following areas :
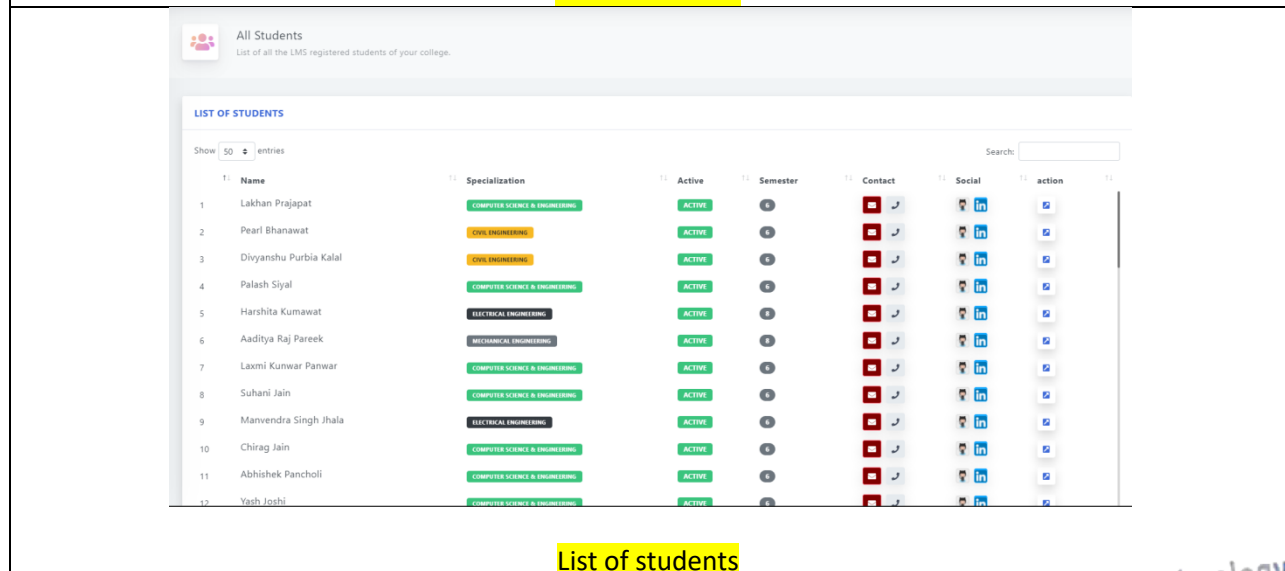

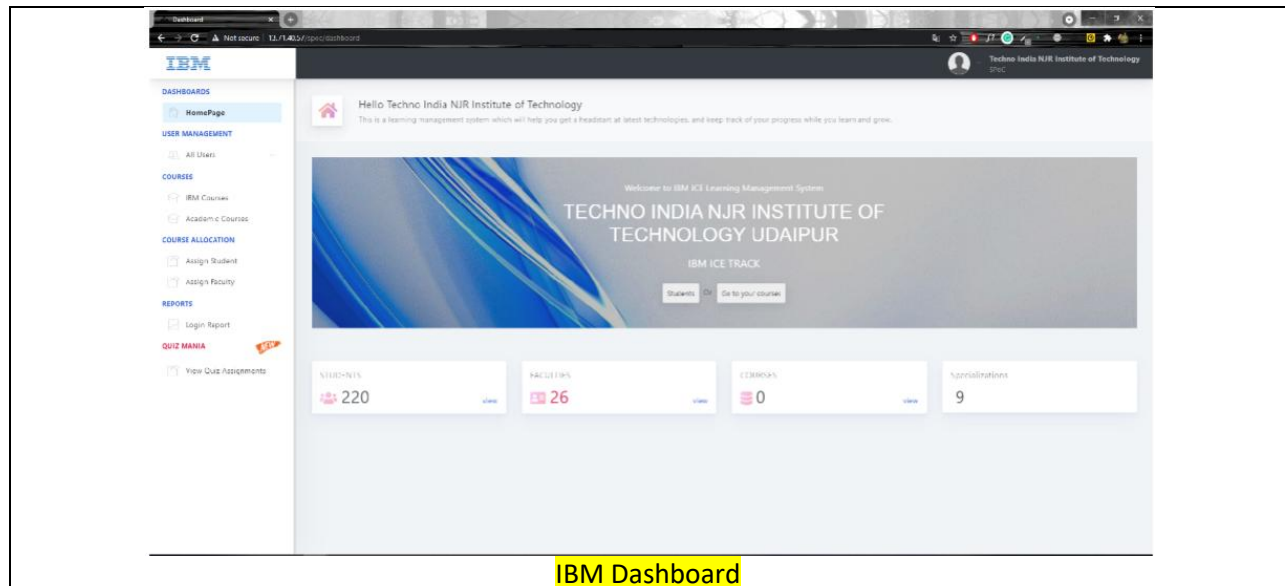

1. Student Academic Management portal: This portal called IBM portal was designed by the Institute's faculty and students for IBM who paid Rs. 1.59 Lakh for this to the Institute. The Institute is using the same IBM portal for its academic management.

2. College ERP: From   Serosoft up to 2017. From ONV marks from 2018.

3. Bus Tracking & Management by Tracking Genie.

4. Cloud based attendance system: Institute uses GBS cloud based Fingerprint system for faculty/student attendance.

5. Solar energy generation by Solar-man.

6. Tally for Financial accounting since 2008.

7. Smart Meter portal for efficient use of electricity. Developed by the institute.

8. Server based Online CCTV system for safety and discipline in classrooms and other areas

9. Admissions: REAP Admission portal

10. Examination: RTU exam portal

11. Whats-app group of faculty and students.

12. SOPHOS wire wall

1. **Student Academic Management portal:**
   The Institute uses powerful IBM portal which was developed by the Institute for their academic courses and training by IBM. Faculty can create his own class/subject, enroll students, take their usage attendance, provide contents, curate outside contents, and give assignments and quizzes and many more things. All faculties have their courses on this portal. This portal is the backbone of content delivery and student management.

9. **CCTV system**: All activities of the college including of classrooms are monitored through 128 cameras installed at various places. Institute is using VMS software to give access to faculty to all the cameras. HOD, Principal and Director can continuously monitor proper conduct of classes. This system is also very useful during conduct of internal and external examinations.

Following entries were completed and sent to the Serosoft people on 21 July and its copy was also sent to the Piyush Sir and Techno India NJR E-Mail id.

Data Required	Status
Student Detail	Completed
Employee Detail	Completed
Degree Detail	Completed
Course Subject Detail	Completed
Faculty Subject Detail	Completed
Library Detail	Work in progress
Book Bank Detail	Work in progress

In our library we have approximately 10000 to 12000 books and the completed data is of 3700 books and in our Book Bank has 28000 books and the completed data is of 8110 books.

2) Kick Off meeting minutes

Date: 26 July 2012

Discussion on following topics:

1. Study of needs
2. Preparation of SRS Doc
3. Gap Analysis
4. Preparation of Gap Analysis Report
5. Preparation of Change Document
6. Approval of SRS Doc, Gap Analysis Report and Change Document

Brief discussion on following modules with the implementation team of Techno India NJR:-

SN	Module
1	Pre-admission Management System
2	Student Information System
3	College Degree Management
4	Course Management with Online Portal
5	Time-Table Management
6	Certificates and Document Management
7	Attendance Record Management
8	Mark-Sheet Management
9	Fees Management
10	Human Resource & Payroll Management
11	Hostel Management
12	Library Management
13	Inventory/Store Management
14	Placement Management
15	Alumni Management

Questions and query that were raised by Techno India NJR team are:-

1. Alumni module was not prepared.

Solution: - Mr. Pankaj Jain told to us that his team is going to implement it as soon as possible.

2. In mark-sheet management module mid term marks format was not according to our requirements.

Solution: - Dummy format is provided to Mr. Pankaj and his team will prepare same for us.

3. In Inventory/stock management module none of the data formats are sent by them and not even populated the starting data.

Solution: - Mr. Pankaj is going to send us the format of that and after we provide him data in that format. His team is going to populate that starting data in their Inventory module.

4. Queries were asked regarding the bridging the gap of existing employee attendance system (Pegasus) and Attendance Record Management of ERP.

Solution: - Required format from Pegasus system was provided to Mr. Pankaj by the team. His team will implement that in their existing module for Techno India NJR.

Discussion with Officers: -

1. Discussions regarding Library Management and manual processes that were followed till now were done by Mr. Pankaj with Mr. Lokesh Mali (Asst. Librarian).
