Metric ID: 6.3.3	Average number of professional development /administrative training programs organized by the institution for teaching and non teaching staff during the last five years
DVV Findings	Please provide as per SOP in data template - year wise tabulation of programs, name of participants with department, duration of program and certificate of participation - Please provide scanned certificate of 18 teachers participated in Design thinking program on 20.09.2018 and 3 teachers participated in Geo Technical Engineering on 01.04.2019. - Please provide in the letter head of the college signed by the Principal , the list of professional development programs for faculty and staff organised by the institution

Response

a. Year wise tabulation of programs, name of participants with department, duration of program and certificate of participation.

Required data as per query in the clarification is attached bellow.

b. Please provide scanned certificate of 18 teachers participated in Design thinking program on 20.09.2018 and 3 teachers participated in Geo Technical engineering on 01.04.2019

There was typographical mistake in date of Design thinking workshop. The correct date for the same is 14/12/2020 to 18/12/2020. Certificates & participants list of 18 participants of the same are attached below along with the certificates of 3 teachers participated in Geo-Technical Engineering course.

c. Please provide in the letter head of the college signed by the Principal , the list of professional development programs for faculty and staff organized by the institution

Required data as per query in the clarification is attached bellow.
