Subject: Re: Techno India NJR: Placement enquiry

Hello, Dr Shreemali,

For this, we are proposing as below:

- There will be six months of internship. Upon completion of 2 months, basis progress review, they would be given PPO
- Two years of work bond
- First year CTC – 2.4LPA, no variable
- Second year CTC – 3.4LPA, 10% variable paid annually
- The selected candidates will be working on NLP, AI, ML, Computer Vision. And, building some great product/solutions in this area
- We are looking to have two best brains

Hope this helps! Advise suitably. Looking to strike a good relationship with Techno NJR.

Thanks,

Kapil

Dear Dr. Shreemali ,

Thank you very much for facilitating our Campus Placement Drive at Techno India NJR today. It was really an enriching experience interacting with your good self and the Students during the day. We look forward for continual strengthening of our relationship with Techno India NJR.

We are pleased to share that the following 2 students has been selected for the Internship

1. Rashmi Sharma
2. PranshiNainawa

The career path offered is as below

- There will be six months of internship. Upon completion of 2 months, basis progress review, they would be given PPO.
- Stipend for six months Internship period is INR 15000 / month.
- During the six months internship period , they can request for leave only for appearing in the college exams.
- Two years of work bond.
- First year CTC – 2.4LPA, no variable.
- Second year CTC – 3.4LPA, 10% variable paid annually.

Please confirm their availability date so that we can plan & share their DOJ. Please feel free to connect for any other information required at your end.

Thanks &Regards ,

VickeeGursahaney
