Techno Ariston Toastmasters

Techno India NJR Institute of Technology is collaborated with global Toastmasters Club, known as Techno Ariston Toastmasters Club which holds weekly meetings (online and offline). It is a platform for students as well as faculties to improve their public speaking skills and hosts various activities like group discussions, table topic rounds etc.

The club enrolls at least 20-30 students every year who progress as they keep on fulfilling various paths in the course after their enrollment. No charge is taken from the students for registering into Techno Ariston Club.
