

CRITERIA 2 FOR NAAC

Faculty Name: Lalita Vaishnav Bairagi

Department: Electrical Engineering

Email: lalita.vaishnav@technonjr.org

lalitavaishnav43@gmail.com

Mobile: +91-8696932761

1. Qualification

- a. B.Tech

2. Work/ Teaching Experience

- a. 3 Year and 2 month

3. Research Contribution (Publications, Books, Conference Presentations)

None

4. Academic Achievements

- a. Scoring 100% result for subject “Electrical Machine-I” in III Sem (Batch 2018-22 EE & EEE).
- b. Scoring 90% result for subject “Network Theory” in III Sem (Batch 2018-22 EC).
- c. Scoring 100% result for subject “Electric Machine Design” in V Sem (Batch 2017-21 EE).
- d. Scoring 100% result for subject “Electrical Machine-I” in III Sem (Batch 2017-21 EE & EEE).
- e. Scoring 100% result for subject “Electrical Mchine-II” in IV Sem (Batch 2016-20 EE & EEE).
- f. Scoring 100% result for subject “Electrical Machine-I” in III Sem (Batch 2016-20 EE & EEE).

5. Mentoring Roles Performed For Student Projects Or Counselling Students

- a. Under my supervision, students made transformers of various ratings in the lab.

6. Membership Of Professional/Academic Bodies

- a. NONE

7. Student/Academic Events Organized

- a. Quantitative and Aptitude classes organised.
- b. Industrial Visits.
- c. Software Trainings (PSpice).
- d. Hardware Training (Transformer Design).

- e. Training on Instrument Transformer Selection and Sizing.

8. Administrative Responsibilities Handled

- a. Mid Term Exam Conduction.
- b. Coordinator for Electrical Machine AC and DC lab.
- c. Coordinator for Electrical Measurement lab.
- d. Making of Result Analysis.

9. Added Certification Details

a. Online Course Certification

- i. Total of 7 courses from TATA Steel.
- ii. 1 Course completed from MATLAB MathWorks training services.
- iii. 1 Course completed from Coursera online learning platform.

b. Webinars/ Seminars/ Workshop Certifications:

- i. National conference on “Advancement in Engineering and Technology: Vision- 2025” on 12-13/Sep/2014.
